INFLUENZA WORKPLACE PROGRAM – TERMS AND CONDITIONS

Pricing

- $35.00 + GST per person for 25-50 employees
- $30.00 + GST per person for 50+ employees
- Minimum fee of $875.00 + GST for workplaces with up to 25 employees

Booking Confirmation

A deposit of $250 + GST is required to secure your booking. This amount will be deducted from your total invoice.

Confirmation of the number of employees being immunised must be provided at least 14 days prior to your scheduled clinic date.

An invoice will be issued following the clinic based on this confirmed number of employees.

Allocated Clinic Time

Your allocated worksite clinic time will be confirmed prior to attendance, and this time must be strictly adhered to.

Any additional time beyond the allocated clinic period, due to additional employees or delays, will incur an additional charge of $125.00 per hour for the nurse to remain onsite, at your request. A minimum charge of $62.50 will apply.

Please note we may not always be able to accommodate requests for additional onsite time due to other bookings scheduled for that day.

Absentees

Employees who are unable to attend or are absent from the workplace at the time of the clinic will be issued with a SMS voucher, allowing them to attend any of EHA's public clinics located at Burnside, Campbelltown, Prospect, St Peters or Walkerville.

Travel Costs

Worksites located outside a 7km radius of our St Peters office will incur an additional travel fee. A quote for this cost will be provided upon request at the time of booking.
